

Report on Fancy article title

[Journal Manuscript No. MS-8901DID1]

1 Introduction

A couple of paragraphs summarizing the paper and what I took away from it, what its contribution is, and my overall assessment

Lorem ipsum dolor sit amet, consectetur adipisicing elit, sed do eiusmod tempor incididunt ut labore et dolore magna aliqua (Heiss and Kelley, 2017). Ut enim ad minim veniam, quis nostrud exercitation ullamco laboris nisi ut aliquip ex ea commodo consequat (Keck and Sikkink, 1998). Duis aute irure dolor in reprehenderit in voluptate velit esse cillum dolore eu fugiat nulla pariatur (Heiss, 2019).

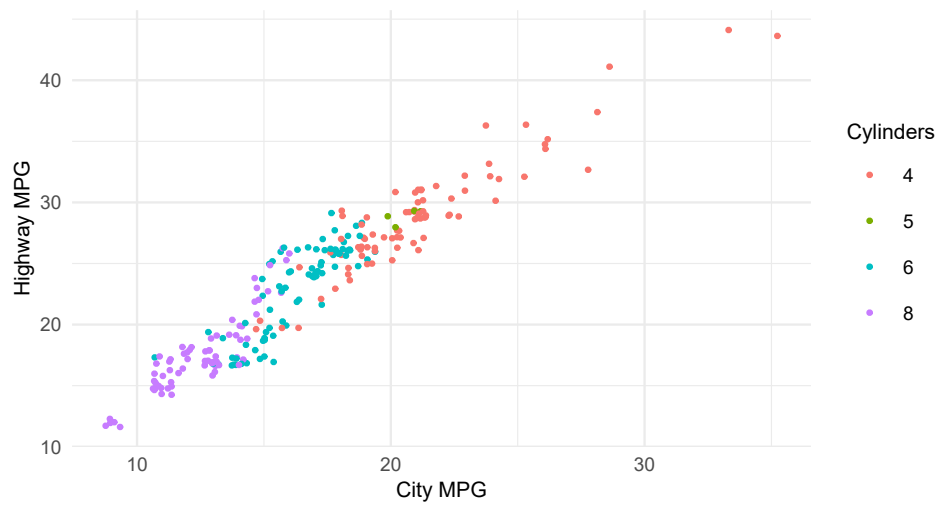

2 Main Comments

Dive in here on the points the paper needs to address to be publishable

1. Sed ut perspiciatis unde omnis iste natus error sit voluptatem accusantium doloremque laudantium, totam rem aperiam (see figure 1)
2. eaque ipsa quae ab illo inventore veritatis et quasi architecto beatae vitae dicta sunt explicabo.

This is a test = $\beta_1 x_1 + \varepsilon$

3. Nemo enim ipsam voluptatem quia voluptas sit aspernatur aut odit aut fugit, sed quia consequuntur magni dolores eos qui ratione voluptatem sequi nesciunt.

Note: this plot really shows the same information, and is really very very very very long.
Source: Authors' elaboration based on data

Figure 1: Scatterplot showing the relationship between city and highway miles per gallon

3 Other comments

List other comments on here, like papers that should have been cited, typos found, ways the paper could be more readable

1. A fancy quote from the paper is not quite well-written. > Neque porro quisquam est, qui dolorem ipsum quia dolor sit amet, consectetur, adipisci velit, sed quia non numquam eius modi tempora incidunt ut labore et dolore magnam aliquam quaerat voluptatem.
2. Ut enim ad minima veniam, quis nostrum exercitationem ullam corporis suscipit laboriosam, nisi ut aliquid ex ea commodi consequatur?
